CSS3 & HTML5

education

2010–Present **BS Candidate** Computer Science
Minor in Mathematics

Southern Polytechnic State University – Marietta, GA

experience

2014–Present **Deluxe Financial Services**

Dunwoody, Georgia

Associate .Net Software Engineer

Developed new features for Banker's Dashboard, a reporting framework for small to mid sized financial institutions. Maintained existing legacy codebases while engineering new RESTful service API layer. Worked closely with Business Analysts to drive ROI and deliver rebranded Credit Union solution. Lead team of interns in project to migrate existing WCF "API" to new RESTful service

2013–2014 **Deluxe Financial Services**

Dunwoody, Georgia

Software Development Intern

Fixed bugs and took lead on UI redesign and refactor for Banker's Dashboard web application. Implemented Bootstrap CSS framework
